Instructions for Full length Paper Submission

1. Once you access the webpage by clicking on the above-mentioned link, Press “Enter service”
2. New users are required to register on the portal and create a user id and password.
3. An activation link will be sent to your email address, which will provide a system generated pin for activation of account.
4. After successful activation of account, you can login with your user id and password.
5. Click on “Submit now” tab for full length paper submission and follow the instructions.
6. **Please make sure you mention the Conference Paper ID in the starting of the title.**

Example: If your paper ID is 455 and the title of the paper is “Role of graphene in solar photovoltaics”, then during full length paper submission, title should be entered as:

“Paper ID-455: Role of graphene in solar photovoltaics”

7. Select the category (or symposium) from the drop-down menu in which submission is being made.
8. Upload a single PDF file of the manuscript inclusive of all the text and figures. Other than the main body of the manuscript, the PDF should have all the other relevant information like author names, affiliation, abstract, acknowledgment and references.
9. For detailed instructions for authors and editors of conference proceedings, kindly visit the following link: [springer.com/us/authors-editors/conference-proceedings](https://www.springer.com/us/authors-editors/conference-proceedings)
